To Whom It May Concern

Dear Sirs

THE EUROPEAN TIMBER REGULATION (EUTR) 3rd MARCH 2013

The European Timber regulation makes it illegal to place illegally harvested timber and timber products on the EU market. The legislation will require that due diligence is applied to all timber first placed on the EU market by operators and also that traders, further down the supply chain , keep track of whom timber or timber products were bought from and , where applicable , whom they were sold to.

The EUTR is now legislation as of 3rd March 2013

Goods which have been placed on the market or available to be sold ex warehouse prior to 3rd March 2013 do not come under the legislation.

We , D.H. Timber (The Trader) confirm that we have been doing due diligence for the past 3 years in line with the Timber Trade Federations Responsible Purchasing Policy , and will continue to do so.

If you require any further information , please do not hesitate to contact us.

Yours Faithfully

D.H.Timber
